President IISHF

GREETINGS FROM THE PRESIDENT OF THE IISHF

I am very pleased, as President of the International Inline-Skater Hockey Federation (IISHF), to welcome you to the IISHF U13 European Cup 2025 in Skater hockey in Kaarst, Germany which takes place on May 30 – June 1, 2025 (Opening Ceremony on Friday evening with two games and then games all Saturday and Sunday).

I would first like to express our gratitude you to the German Federation and the hosting club Crash Eagles Kaarst for the interest and support that has been given to this tournament. The Organizing Committee has worked very hard on all the technical and social details, and this, along with the wonderful hospitality of the hosting club and the superb organization of this important event, are the guarantees for a successful competition. I would then also like to wish all the players, team officials and spectators who have come from around Europe a lot of luck in this Title Event and I hope that you will enjoy this tournament. I would also like to extend a special thank you to all the IISHF officials and referees for their contribution so this will hopefully be another great weekend for all of us enjoying this fast and lively sport.

This year we have participation of 10 teams from 3 countries coming from Austria, Germany and Switzerland. IVA Rhein Main Patriots from Germany won the last IISHF U13 European Cup 2024 taking place at home in Rossemaison, Switzerland on June 21-23, 2024 with a 6-5 victory in the final against Copenhagen Vikings Rødovre from Denmark. Third place was taken by Berlin Buffaloes from Germany.

Skater hockey is a fast sport which can be played both outdoors and indoors. The game is played with a ball and is a very fast and exciting game. This tournament is played indoors on a 43x21 meter pitch.

Best regards, your Erik

ONCE AGAIN THE EUROPEAN YOUTH MEET HERE IN KAARST

in order to play skater hockey. In the name of more than 400 members of Crash Eagles Kaarst I would like to welcome all our guests to this year's European Cup U13. Ten teams from three nations are going to compete for the Title of European Champion.

The city of Kaarst and the skaterhockey-club Crash Eagles Kaarst are very happy about the decision of the International Inline-skaterhockey Federation to choose Kaarst as host for this tournament.

We are looking forward to feeling the international atmosphere in the "Stadtparkhalle" and watching top performances of the teams from Austria, Switzerland and Germany. I wish all participants, friends and visitors a great time in our town as well as exciting and fair matches.

During the last few weeks many hard-working volunteers have been busy with preparing this event. I would like to thank all of them for their extraordinary efforts.

It is very gratifying to see that a lot of members, parents and friends have been supporting the club in organizing these kinds of tournaments for many years now. Enjoy the games and your stay here in the hockey-city Kaarst.

Best regards, your Georg

DEAR FRIENDS OF INLINE-SKATERHOCKEY,

on behalf of the German Inline-Skaterhockey Association (ISHD) I am very pleased to welcome you to the U13 European Cup 2025 in Kaarst. Sport and especially such a rousing team sport as inline skater hockey unites people of all generations. This year's U13 European Cup in Kaarst is now bringing together teams, players and club officials from Germany, Austria and Switzerland.

The magnificent hospitality and superb organisation of Crash Eagles Kaarst is the guarantee that this event has been given by the International Inline Skater Hockey Federation (IISHF) with pleasure to Kaarst. In addition, the club has with the „City Hall Park (Stadtparkhalle)“ a modern and beautiful venue.

The Crash Eagles Kaarst is member of the German Inline-Skaterhockey Association "ISHD" (former FSH) from the beginnings. A bunch of young players merged to an excellent organized club with a professional structure and enabled to arouse enthusiasm for inline skater hockey sport and to closely involve and to promote generations of people. The "Eagles" always held a leading role and had significant and positive influence on the development of inline skater hockey for the last 40 (!!) years.

The organization of an international title event includes enormous time and work. It requires a lot of efforts and particular achievement to provide support for travelling and accommodation as well as correspondence in several foreign languages. Thus I take this opportunity to give the best thanks to the members of the Organization Committee and the great number of honorary helpers for their great support to organize and host the U13 European Cup 2025.

I would like to wish all players, friends and visitors exciting, fair games and a pleasant stay in Kaarst.

Best regards, your Ingo

WOLFURT WALKERS ★

The Wolfurt Walkers were founded in 1999 by a group of young people. Over the years, the club has developed from a youth project into a model Austrian club for inline skater hockey.

The club plays with all its teams in Swiss competitions. As one of the largest clubs in Austria, we also take part in the Austrian Finals. In total, the club from the Lake Constance region has around 150 active athletes aged between 7 and 50.

In 2012, the HockeyArena Wolfurt, a project close to our hearts, was opened, giving us our own skater hockey arena. This was also the starting signal for our youth movement, which has won many titles in various areas over the past 13 years.

Our U13s not only became Austrian champions in the 2024 season, but also Swiss champions. We are delighted to be back in Kaarst as a club after several years.

Eagles Vedeggio

The Inline Hockey Eagles Vedeggio sports association was founded in 1989 by a group of friends and hockey enthusiasts who laid the foundations for what is now recognized as one of the historic clubs in inline hockey in both Ticino and Switzerland. From the beginning, our goal has been to instill the core values that sports have always taught, such as respect, discipline, and teamwork.

As a developmental club, Eagles Vedeggio provides a healthy and positive environment where young athletes can grow not only as players but also as individuals, enjoying inline hockey in a fun and educational way. A particularly significant moment for our team came in 2018 when, from scratch, we rebuilt our youth sector.

Since then, in just seven seasons, we've made an incredible leap in quality: from a team struggling to avoid the last spot, we now compete for the podium at the Swiss finals and have earned qualification for the 2025 European Cup.

Success

2024 - 4th in the championship
 2023 - 8th in the final standings

TV AUGSBURG

The youth team is the reigning German champion of 2025. After two frustrating fourth-place finishes in 2022 and 2023, they eventually made it to the final.

In a thrilling match against Essen, the TVA juniors finally prevailed 4-2.

Following this triumph, the team is now looking forward to competing against the best teams of Europe in the 2025 European Cup.

CRASH EAGLES KAARST

The Crash Eagles Kaarst were founded in 1985. So this year we celebrate our 40th birthday. With that said we are happy to host the tournament and are looking forward to successfully participating in the U13 European Cup on home ground.

ESC MOSKITOS ESSEN

Our U13 team is made up of a committed group of players who have been on the court together for almost three years. We have always been able to compensate for the departures with great young talent and maintain our team strength. We are characterized by our fighting spirit and strong team dynamics.

Unfortunately, we were relegated to the 2nd NRW League in 2022. However, as champions of the 2nd NRW League in 2023, we were directly promoted back to the 1st NRW League. In 2024, we were NRW vice-champion as well as German vice-champion.

This qualified us for the 2025 European Cup.

We are proud of our recent successes and are looking forward to the European Cup.

We would like to thank the Crash Eagles Kaarst for organizing and staging the event.

RED DEVILS BERLIN

The U13 team participated in the BISHL league competition last year and finished the season in 4th place against strong competition. However, the boys and girls managed to improve week by week.

At short notice, we learned about the opportunity to attend the German Championship as a replacement team and gladly accepted the chance. With no particular ambitions but knowing that we didn't need to shy away from any opponent, the team played a strong tournament and ultimately secured 4th place, qualifying for the European Cup.

Once again, our goal will be to give it our all and see where we end up. We are excited about the opportunity to compete against the best teams in Europe.

SHADOWS AMSTETTEN

The U13 team took part in a nationwide championship organised by INLINE-SKATERHOCKEY AUSTRIA (ISHA) for the first time in 2021. The team was inexperienced and some players were still very young. The performance of the players and the whole team has improved from year to year.

In 2023, the U13 team achieved 3rd place in the U13 final tournament for the first time.

In 2024, the U13 team took part in the European Cup in Rossemaison and finished in 7th place. This made us the best-placed Austrian team. In the national championship in 2024, we once again achieved 3rd place.

SHC AJOIE

The SHC Ajoie club has been in existence since the 2019 season. Before it was the SHC Baroche and the SHC Fontenais.

For the past four years, the team's main coach is Corentin Sautebin and as assistants, this year, are Nicolas Grillon et Vincent Gigon.

Since 2020, the team has, each time, qualified for the Tour Final and reached the 5th place in 2021, became Swiss vice-champion (2nd) in 2022, reached the 4th place in 2023 and is now Swiss champion 2024.

The team is very happy to be able to participate at this U13 European Cup in 2025 for the second time of his history in only 5 years.
